**EHSMU Visual Ensemble Instructor**

Originally from the Pittsburgh area, I have been involved in Cologuard either as a performing member or as a coach for over 17 years!!!! I started in the 5<sup>th</sup> grade with an indoor program and continued into college. I was a member of the Pride of West Virginia University where I had the honor of being the assistant captain. My husband and I just bought our first house here in Ephrata. I am currently working as a learning support teacher at Brownstown Elementary School in the Conestoga Valley School district. I am so excited to start my 4<sup>th</sup> season with the EHSMU !!!!
